Accounts for retired staff
• No changes in service until Phase III
• UITS Long-term commitment to supporting retiree accounts

Migration strategy for Meeting Maker calendars
• Data will not be migrated
• Room accounts will be created
• Non-Room resources are not supported in Outlook 2007

Groups and distribution lists
• Available in the Global Address List and administered by dept. IT in CatNet

Mobile device synchronization
• Working on documentation for AstraSync

Speed/data integrity for email migration

Pre-migration prep by end users
DSVs
• NO Pass-through charge of $25 per account, per year
• Proactive renewal

Departmental accounts
• NO Pass-through charge of $97 per account, per year
• Proactive renewal
• Potential name change to accounts; will forward from existing accounts

Shared folders
• Will be replaced by departmental accounts

Student employee accounts
• Most student collaboration possible using UAConnect and Google Apps
• For students who need access to calendars, etc., recommend purchase of DSV accounts

Mailbox forwarding
• Mailbox forwarding requires a Service Request to Microsoft

Fees
• Were primarily to discourage waste/abuse, will discourage abuse and assess in 1 year
