UAWiFi on iPad/iPod/iPhone (iOS 4+)

1) Start by tapping the “Settings” icon on your home screen.
2) Tap on “Wi-Fi.”
3) Be sure that Wi-Fi is on and then tap “UAWiFi.”
4) Enter your NetID **NOT** including @email.arizona.edu and password.
5) If you see a Certificate warning that lists either sawfish.catnet or guitarfish.catnet, tap “Accept.” If you do not see a Certificate warning, skip to the next step. If you see a Certificate warning that is not one of the two above, please contact the 24/7 Support Center. Our contact info is listed at the end of this document.
6) You’re done! You should see a check-mark next to UAWiFi, meaning that you’re connected.

If you need further assistance please contact The 24/7 IT Support Center at 520-626-8324 or by submitting a support request at https://uassist.arizona.edu. Please note that support requests may take up to 48 hours for a response.
